Commencing On : 4th October 2024

Message From Director

Mrs. Asha Agarwal

Audiologist and Speech
Language Pathologist (ASLP)
Cochlear Implant Consultant
ENT Department
Sir Ganga Ram Hospital

Welcome to an exceptional educational opportunity presented by the Department of ENT at Sir Ganga Ram Hospital, in collaboration with GRIPMER (The Ganga Ram Institute for Postgraduate Medical Education & Research). We are excited to introduce our new course, “Cochlear Implant Habilitation - A Hybrid Course”, which will provide an in depth exploration of auditory health and speech therapy. The Department of ENT at Sir Ganga Ram Hospital began its cochlear implant program in 2000, and over the past two decades, the hospital has performed more than 3,000 cochlear implant surgeries.

The course will feature lectures from experienced otolaryngologists and certified AVT professionals, offering practical skills that you can apply in your professional practice. I hope this course will make a lasting impact on our professional endeavours.
