# Invitation

Dear Colleague,

The Department of Medicine, Sir Ganga Ram Hospital is organizing its 31st annual Medicine Update on the 1st & 2nd March 2019 and would like to invite you to grace the occasion with your presence.

Like in its previous iterations, the scientific program has been designed to tailor to the needs of practicing consultants and family physicians. The delegates have the opportunity to attend two hands on workshops on “App Based Clinical Practice and Diet & Nutrition in Medical Illness” and apart from lectures, there will be panel discussion and one on one interaction with the esteemed faculty.

As previously, credit hours are expected to be awarded by Delhi Medical Council. I hope that you have an enriching academic experience in the two days of this conference. Your presence and participation will go a long way in making this event a success.

With regards,

**Dr. Atul Gogia**

Organizing Secretary

Medicine Update 2019
